York Teaching Hospital Library Service

- Scarborough Hospital Library
- York Teaching Hospital Library
All employees of York Teaching Hospital NHS Foundation Trust can join the Library. Please bring your staff ID card to the library counter at either site. An introduction and tour of the Library is available. An enquiry service is available via telephone, email or post.

Books and Journal
The Library has a wide range of titles covering all aspects of clinical and non-clinical services. Details can be accessed through the catalogue via the Hospital website. If a journal article or book is not available, we may be able to obtain it from another library. Self issue machines are available at both sites. Book postal loans are available to community based staff. Please see library web pages for more information www.york.nhs.uk/library.

E-Resources
Full-text journals, books and databases are available via www.evidence.nhs.uk. A NHS Open Athens account is required to access these and you can register at the same website.

Keeping Up to date
If you struggle to keep up to date with the amount of new material coming out, we may be able to help you. Contact the Library to find out about one of our alerting services or YorLIG.

PC/Internet Access
PCs, printers, scanners and photocopiers are available at both Library sites.

Need to Find Information…and Quickly?
The library provides an enquiry service during staffed hours. Enquiries can be dealt with face to face, via the phone or email.

Contact your Clinical Librarians when you need:
- Literature searches
- Training in searching and study skills
- The skills of an information professional adding to your team

Let’s see how we can help you…

We look forward to seeing you soon.
